CAREER

Located on each of the campuses, the Careers Service provides students with the advice, data and tools to connect them with the business community.

Active Learning & Service Learning Projects are a crucial component of the MBA programme and are highly valued by potential employers.

The Careers Centre hosts a range of events for students each year to help them define and refine their career plans, obtain valuable information, and learn about different job opportunities internationally.

These events include careers workshops, company presentations, interviews with recruiters, on-campus job fairs.

CALENDAR

The MBA is a two-years programme starting in September.

Each year is organized around two main semesters, Fall & Winter with an additional Summer Session
